

Note: Also available in a longer length of 48". All other dimensions as represented in the diagrams above.

WINDSOR PATIO PLANTERS

Patio and porch planter boxes are made of durable, maintenance-free PVC plastic. Far lighter than wood, an internal water-minder™ reservoir provides for less watering and promotes healthy plant growth. Custom lengths available up to 12'.

Size LxWxH	White	Case/Pack	Soil Capacity*	Water Reservoir Capacity
20x20x20"	28202	1	54	6
36x20x20"	28362	1	102	10.5
48x20x20"	28482	1	139	13

*Soil capacity measured one inch from top of container in dry quarts.
